"The best in-salon treatments"  
BAZAAR

**Silky Soft** £15.00

A spray of pure nourishment ensures dry, coarse hair is left incredibly soft

**Radiant Glow** £15.00

GREAT ON LONG HAIR

An instant action to ensure that long hair has added strength and flows with shine and radiance

**Core Strength** £15.00

Instantly reinforce your hair fibres internally for longer-lasting colour and healthier-looking hair

**Colour Boost** £15.00

PERFECT POST-COLOUR SERVICE  
TATLER, HARPER'S BAZAAR & RED RECOMMENDS

The perfect post-colour boost. The dual technology delivers fresh, even colour protection with a radiant high shine

**Nourishing Ritual** £15.00

Immerse your dry hair in a luxurious masque-crème to infuse your hair with intense nourishment and extreme softness

**Nutri-Thermique Ritual** £15.00

Treat very dry hair to this intensely nourishing Ritual. Aided by heat-reactive technology, your hair will be intensely nourished, soft, supple and shiny

**Taming Ritual** £15.00

Gain control of your frizzy hair with our advanced frizz control. Your treated hair will be left tamed, smoothed and easy to manage

**Colour Enhancer Ritual** £15.00

After a colour service, enhance your coloured or highlighted hair with intense hydration and colour fade protective actives. Leaves the hair radiant and wonderfully shiny

"Unquestionably the best deep conditioner"  
SOFIE FORTE 

**Chronologiste  
Revitalising Ritual** £35.00

Chronologiste is formed from two essential parts: the restorative caviar pearls packed with active ingredients to protect and revitalise your hair, and the rich cream masque to soothe and moisturise. When blended together at the point of application they create Kérastase's most technologically advanced formula to date leaving your hair soft, supple and intensely nourished with incredible shine.
